Slave Toilet Mouth

life as her toilet by slave fart my phone vibrated with my custom ringtone that i d made for stephanie my ex had truly turned me into her toilet and i knew that when she texted me i had best not make her wait she d have to take a shit and since it was the morning dump it would be her biggest load of the day. if her slave was open to this she definitely planned on using his mouth every time she needed to go but judging by the slight sobs and tears streaming down naruto s face he would not be open to doing this every day, hot shit women share their messiest poop fetishes scat is usually
