Hello, I am currently in a combined Dietetic Internship and Masters programs at the University of North Florida. I completed my Bachelor's at Rutgers University with a double major in Nutritional Sciences and Psychology and a double minor in Biology and Health and Society.

Graduates of Loyola's Dietetic Internship program are highly sought for positions in health care and nutrition programs. Students enter a wide range of dietetic careers including Clinical dietitians with health care organizations including hospitals, medical centers, dialysis centers, skilled nursing, and rehabilitation facilities.

The University of Texas Health Science Center at Houston's School of Public Health Dietetic Internship has been awarded full Accreditation by the Accreditation Council for Education in Nutrition and Dietetics ACEND of The Academy of Nutrition and Dietetics.

The University of South Florida USF Dietetic Internship is an integrated dietetic internship and MPH program. The dietetic internship will give you the knowledge, practical skill, and professional values you need to meet the standards of education and core competencies for registered dietitians established by the Accreditation Council for Education in Nutrition.

A 2012 graduate of the Dietetic Internship Program at the Rutgers School of Health Related Professions Gunning currently serves as the clinical nutritionist for Rutgers Student Health Services and was the first clinical nutritionist hired jointly by Rutgers Student Health Services and the IFNH.

Laura Burr, Masters Program University of Michigan School of Public Health, Dietetic Internship Ann Arbor, Michigan. Julie Kennedy, Coordinated Graduate Program University of North Carolina at Chapel.

To get placed in a competitive and accredited dietetic internship program, you'll need to earn a bachelor's degree from an accredited Didactic Program in Dietetics and meet certain GPA requirements. You can pursue a traditional distance or dual dietetic internship program, which combines an internship and a master's degree.

The Dietetic Internship prepares you for professional practice in hospitals, clinics, public health agencies, and food service management. During the program, learning experiences allow you to assess the nutritional status of patients with complex medical conditions and plan, implement, monitor, and evaluate medical nutrition therapy plans.

The Didactic Program in Dietetics (DPD) and Individualized Supervised Practice Pathway ISPP at Rutgers, The State University of New Jersey, located in the School of Environmental and Biological Sciences, Department of Nutritional Sciences, on the New Brunswick Campus, are accredited by the Accreditation Council for Education.
