How Neuroplasticity Hurts and Helps Your Mental Health
10 Reasons Softball Can Change Your Life - Amanda Scarborough
April 20th, 2019 - Playing softball, oddly enough, prepared me to face the most difficult moment in my life. Having a child with special needs. It taught me how to fight for him, work together with doctors, teachers, and therapists as a team, time management, and how to fit all his needs into our daily lives. Adversity never gave up on him and to keep fighting till we have a victory. Controlling emotions, staying.
